Difficult

Rank	Matter
S	Expressway (Highway). Most accessible.
A	Local road with 2 or more lanes. Easy to use.
B	There are sections with continuous curves and slightly narrow roads. Relatively easy to use.
C	Slightly more difficult to use. Unskilled drivers should select alternative routes.
D	The road is very narrow and you may encounter cars coming in the opposite direction.

Sections marked with a white dotted line are subject to restrictions or closure in extreme weather conditions.
